Mallorca - Santa Ponsa 2 Bed Apartments from £224,000

This is one of the most prestigious municipalities on the island due to its building complexes, golf courses, beaches and marinas, as well as its up superb south-east aspect. 18 detached houses in a Mediterranean style make up the limits of the Residence, all of them facing the golf course. A beautiful visual effect as both the magnificent garden and the green merge in the horizon. The houses are equipped with a large living-room with a chimney, three en-suite bedrooms the main one with a whirlpool bath, built-in lined wardrobes, a furnished kitchen equipped with leading-brand electric appliances. 110 two and three-bedroom apartments, divided into 10 blocks. The ground floors have a garden and the rest of the units have large balconies, whereas the top-floor apartments have fantastic views, enormous solariums and splendid terraces.

Located 30km from Palma on Majorca's southwest coast, Santa Ponsa has grown in and around a wide and deeply recessed bay, edged by pines and sun-bleached sands. The main beach, with its large expanse of white sands, is popular with both holidaymakers and locals, but there is a smaller, quieter beach to the south. Many watersports are available, as are tennis, bicycle hire and golf. Santa Ponsa achieves a good balance between both beach and nightlife. Discos, clubs and bars, particularly Irish bars with live music, provide a fun atmosphere in Santa Ponsa, with dozens of restaurants.
