## Spain - Costa Blanca - Finestrat **Superb Location**

2 & 3 bed apts and townhouses from £158,600 - 3 & 4 bed villas from £381,500

The lovely old village of Finestrat which lies 40km North of Alicante is an inland mountain village and a touristic resort by the sea, called Cala Finestrat. The village, which hugs the mountainside of Puig Campana, is famous for its cliff hanging Moorish architecture, while La Cala is a beautiful sandy cove with plenty of cafes, bars and restaurants. This exclusive development of private villas, apartments, penthouses and townhouses have picturesque views to the mountains and the sea.

Those in search of a peaceful and healthy environment in which to set up a permanent or holiday home will find this a perfect location, being surrounded by nature yet close to the beaches and marinas of Benidorm, the charming villages of Altea and Calpe, and less than 1km from the shopping complex La Marina, with its hypermarkets, cinema and entertainment. Banks, health care services and other vital amenities are also close by. There are two golf courses within easy reach of this magnificent development, with two more designed by Jack Niklaus due to open shortly just 500 metres away.

### Key Features

Two-storey, 3 and 4 bedroom villas feature a private swimming pool and gardens, roof terrace, most with jacuzzi and superb sea views. Plots vary from 500-700m<sup>2</sup> and each property comes with a private covered parking space.

The 2 and 3 bed room townhouses are built over two levels with direct access to communal gardens and swimming pools. The units surround a central garden, social club and sporting facilities, fostering a real sense of community.
